**"The District where all challenges are taken seriously!"**

**"Our number one CHALLENGE: "ACADEMIC EXCELLENCE OF ALL STUDENTS! "**

## **Effective January 1, 2008 Senate Bill 9**

**Effective January 1, 2008, all applicants recommended for employment will be subject to the requirements of Senate Bill 9. This Bill is a comprehensive statute requiring various levels of criminal history review for different types of public employees, including:**

**All certified educators working in public schools who have not been previously fingerprinted.**

**All non-certified public school employees**

**School Contractor employees who have direct contact with students**

**Student teachers and volunteers**

**Effective January 1, 2008, all non-certified employees will be subject to a national criminal history record check and will be required to be fingerprinted through the Department of Public Safety. Any applicant recommended for employment will be required to pay a \$52 fee for the fingerprint process. Payment must be made by using a credit card or prepaid debit card only. No other form of payment will be accepted.**
